Tricon Interiors LLC is the customized interior design solution for residential and commercial projects. We design spaces that echo your style. These unique interior spaces are designed to match your personality and suit your lifestyle. We know that creating an interior space that does all of these things isn't easy, and so we are here to help.

Our dedicated life stylist works together to provide you with details about space planning, materials finishes, 3D visuals, time plans, budgets, execution services and much more through an outlined portfolio. From detailed research and optimized sourcing, to ordering materials and regular follow-ups with the contractors, we are the hands on team that manages it all for you.

Whatever it is you desire, we can help you source out everything to suit your preferences and comfort. Be it soft upholstery, wall finishes, flooring, furniture fit outs or accessories, we guide you all the way through to the final installations to create your desired space.

OUR VISION

Tricon aims to be market leaders and the most preferred customized interior designing firm in UAE. Our vision is to provide social impact solutions, be responsive and work together towards a sustainable green future for the benefit of all.

OUR MISSION

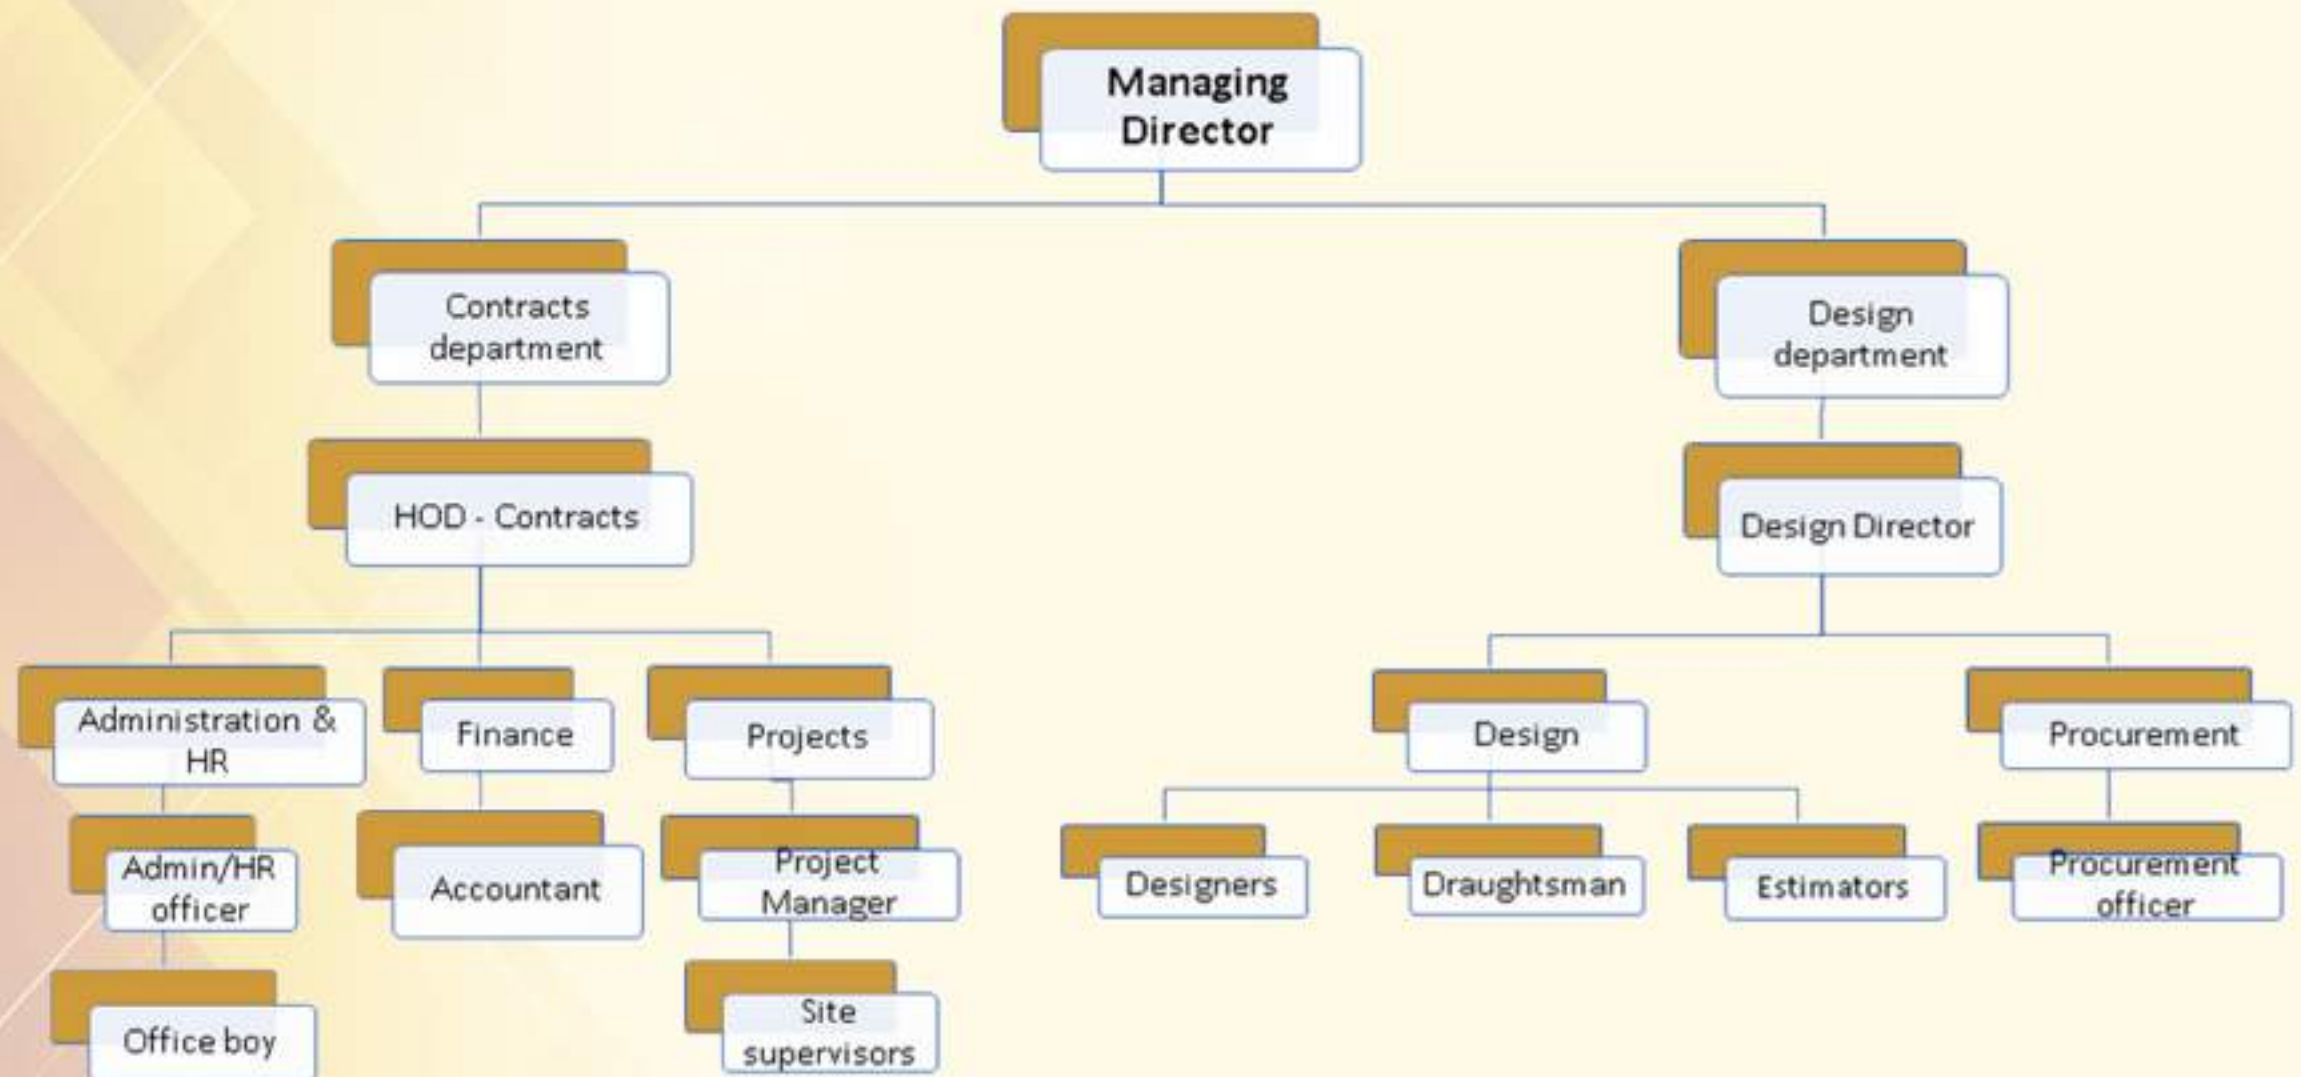

We at Tricon are deeply committed to providing a reliable, amicable and professional service to our valuable clients by meeting their requirements through innovative practices that ensure quality without compromising on time frame and budget.

Our mission is to remain firm, be dynamic and evolve as the most recognized name in the interior sector.

COMPANY CORE VALUES

PROJECT PLANNING & MANAGEMENT

QUALITY ASSURANCE

We aim at delivering services by utilizing advanced technologies and exceeding customers expectations in terms of quality, safety and timely completion. We plan and execute all the activities as per the Project specific quality plan, method instructions and formats as required by the contractual agreement.

Tricon evaluates and selects the right subcontractors for all awarded contracts. We have effectively implemented system which involved quality audits, employee awareness and status review in Management meetings to achieve total customer satisfaction.

HSE POLICY

We firmly believe that every employee is entitled to work under the safest possible conditions. We do realize that preventing accidents will reduce the associated costs and increase the morale of the employees, which is an intangible benefit to the organization.

Our Health and Safety Policy is,

Zero Accident

Zero Property Loss

Zero Energy wastage.

OUR PROJECTS

At TRICON, we practice sustainability and focus on working with what you already own and seamlessly integrate your new idea to reality. We pride ourselves on offering our clients multiple solutions for their design queries. Exclusive & customized private villas, stringent yet comforting care establishments, organized factory space or restricted office workstations, we have successfully designed a diverse range of spaces.

We love what we do, and we're the best at it but don't take our word for it. Take a look at some of our design & executed projects.
